

Simón Parisca

SYSTEMS ENGINEERING STUDENT
UNIVERSIDAD EIA - 8TH LEVEL
WEB/SOFTWARE DEVELOPER

About me

Junior Software Engineer with hands-on experience in full-stack development. Passionate about building scalable applications using React, Spring Boot, and PostgreSQL. Strong foundation in backend APIs, CI/CD pipelines, and relational databases. Detail-oriented, committed to clean code and collaborative remote work.

Technical knowledge

Programming languages

Java, Python, HTML, CSS, JavaScript, TypeScript and SQL.

Frameworks and tools

- Frontend: React Native, React.js, HTML5, CSS3, Tailwind CSS.
- Backend: Spring Boot, Node.js, FastAPI, Django.
- Databases: PostgreSQL, MySQL, SQL Server, SQLite.
- Tools & DevOps: Git, GitHub, Docker, CI/CD with GitHub Actions, Postman, Supabase, JWT, UI/UX, Responsive, Linux CLI, WSL.
- Cloud: AWS (S3, EC2, Lambda), GCP, Azure
- SCRUM agile methods: Jira
- Other: REST APIs, Payment Gateway integration, MVC, Agile (Scrum), Agentic AI using, Odoo Cloud Enterprise Suite (web and eCommerce)

Projects

Event Management and Visualization App: <https://proyectoweb-liart.vercel.app>

React.js + Spring Boot + PostgreSQL

- Functionalities for event controlling, portfolios, users and roles.
- Implementation of JWT in Java to handle user authentication and password encryption. PostgreSQL database.
- Event consultation and registration system for guest users and creation and modification of events for administrator or organizer users.

Home Services Offering Mobile App

ReactNative + Supabase + Expo

- Implemented services offering and sale between local people (just like Mercado Libre).
- Integrated Wompi payment API using Checkout Web flow with real test data.
- Applied React state management best practices and backend validations.

Academic information

Universidad EIA

Systems Engineering | January 2022 - Now

Colegio San Ignacio de Loyola

Bachelor's degree in secondary education | January 2008 - November 2021

Certification and extras

- Microsoft Azure Fundamentals (AI-900) – In Progress
- Participated in national-level Hackathons and CTFs
- Universidad EIA soccer team: developed teamwork and leadership under pressure

More info.

I also like:

- Sports
- Puzzles
- Movies

Languages

Spanish:
Native.

English:
B2+

Abilities

Good communication.

Code versioning (Git y GitHub).

Problem solving.

Team work.

Agile with results.

Very fast learning and context understanding.

Sociable.
